The requirement that the real estate has been legally utilized and generated profits at the time of investment as set forth in paragraph 1 means that rent ratio is above 60% and meets the return on investment corresponding to the local economy.

Article 11-1

The insurer may invest in real estate overseas and in the Mainland China area in any of the following ways:

1. To obtain real estate overseas and in the Mainland China area in its own name.

2. To obtain real estate overseas or in the Mainland China area through real estate investment business for special purpose of investment.
3. Obtaining real estate overseas or in the Mainland China area through a real estate investment business for the special purpose of investment by way of loan.
4. Obtaining real estate overseas or in the Mainland China area through a trust contract.

Real estate investment business for special purpose of investment, as referred to in the preceding paragraph, means those enterprises 100% owned by the insurer, as filed with the competent authority for reference or approved by the competent authority exclusively for the purpose of investment in real estate overseas or in the Mainland China area. As pointed out in the preceding paragraph, obtaining real estate overseas or in the Mainland China area through a trust contract, is regarded as a trust contract when concerned with the obtaining, management, use, benefit and disposal of that real estate made between an insurer filed with the component authorities for reference or permitted by the competent authority or its real estate investment business for the special purpose of investment and trustee institutions.

In cases where an insurer and the real estate investment business acquires or disposes of the real estate that it has invested overseas and in the Mainland China area, it is required to obtain an appraisal report issued by an international appraisal institution that is qualified locally, and the mandated institutions in charge of the management are limited to international real estate management companies. In cases where the investment is made through the real estate investment business for special purposes of investment, it is also required to obtain a legal opinion as regards its legality issued by local qualified counsel; the following items shall be disclosed within three days after the acquisition of such documents in the website of the insurance company:

1. The location of the overseas and Mainland China area real estate.
2. Information proving the fair market value.
3. Ownership, area and use condition of the property.

The appraisal companies and the real estate management companies set forth in the preceding paragraph shall meet the following requirements

1. Appraisal companies are limited to those incorporated and registered with the competent authorities in OECD countries or the Republic of China and have offices of business in the place where the proposed invested overseas real estate or the real estate investment business for special purposes of investment and the Republic of China.
2. Real estate management companies shall meet any of the following requirements, provided that, however, that if the invested real estate is managed by an existing real estate management company and that such contract does not mature, or the real estate management company shall be jointly determined by the co-owners of the real estate, such provision is not applicable:

(1). Publicly available documents proving that such real estate management company has been incorporated in the place where the real estate proposed by the insurance company is located for at least three years and has experience in managing commercial building with floor space of at least

35,000 square meters and assets of NTD 10 billion or equivalent foreign currencies.

(2). Concrete and public information proving that such real estate management company ranks among the top five real estate management companies in terms of revenue for the most recent year.

In cases where an insurer invests in overseas and Mainland China area real estate in accordance with paragraph 1, such company shall include the handling procedure in relation to the investment in overseas and Mainland China area real estate in internal controls, and have the board of directors to adopt it; such also applies to amendment. The handling procedure shall include at least the following matters:

1. Investment guidelines, strategies, and responsible departments.
2. Evaluation, transaction, management and handling procedure.
3. Risk management measures.

For the risk management measures as referred to in the preceding paragraph, sub-paragraph 3, its risk control shall include a control mechanism of different levels with reference to credit rating information provided by foreign credit rating agencies in relation to foreign countries and the Mainland China area where the real estate is located and shall set up risk limits for each level and country.

For an insurer that engages in overseas real estate investment, such company shall designate staff with relevant experience or professionally trained personnel, and submit an investment assessment report for each case to the board of directors for authorization and handling.

Pursuant to the requirements set forth in Article 12 of Regulations Governing Public Disclosure of Information by Non-life Insurance Enterprises and Article 12 of the Regulations Governing Public Disclosure of Information by Life Insurance Enterprises, the non-life and life insurance companies shall, respectively, make disclosures to the public in the notes which are to be made in the information disclosure website area concerning the area of investment, the total amount of the funds utilized for investment and the profitability performance of real estate investment overseas or in Mainland China, and shall renew such information on an annual basis.

Article 11-2

As pointed out in subparagraph 3, paragraph 1 of the previous article, when an insurer engages in obtaining real estate overseas or in the Mainland China area through a real estate investment business for the special purpose of investment by way of a loan, any such decisions shall be passed by three-fourths of board members in attendance, with two-thirds of all board members in attendance, and shall be in conformity with the following regulations:

1. Loan interest, term of loan, collateral or conditions of guarantor's setting or levying, and method of capital and interest payment adopted by the insurer shall not exceed the conditions of similar loans provided in the invested area where it engages in a real estate investment business for the special purpose of investment within the term of financing and shall conform with local regulations in the invested area.
2. Loans acquired through a real estate investment business for the special purpose of investment shall all be utilized in obtaining real estate

overseas or in Mainland China through investment.

The gross balance of a loan invested by an insurer when engaging in a real estate investment business for the special purpose of investment shall not exceed 10% of each Shareholders' Equity of the respective insurers and it shall be calculated in the limit amount based on the following restrictions:

1. The gross balance loaned provided by subparagraph 2, paragraph 1 of article 3 of the Regulations for Extending Loans by Insurance Enterprises to Interested Parties shall not exceed 1.5 times each Shareholders' Equity for the respective insurers.
2. The gross balance loaned to the same interested party as provided by paragraph 3 of article 2 of the Regulations governing Insurance Enterprises in Making Loans to and Others Transactions with A Single Party, A Single Related Party or A Single Related Enterprise shall not exceed 40% of each Shareholders' Equity for the respective insurers.
3. The gross balance loaned to the same affiliated enterprise as provided by paragraph 4 of article 2 of the Regulations governing Insurance Enterprises in Making Loans to and Others Transactions with A Single Party, A Single Related Party or A Single Related Enterprise shall not exceed 40% of each owner's equity for the respective insurers.

The operation of real estate business for special purpose of investment shall be subject to the following restrictions:

1. The business scope of such company shall be confined to purchasing, holding, maintaining, management, operation or disposal of real estate and real estate related rights.
2. Except the loan mentioned in first paragraph, an insurance enterprise may not borrow funds from an outside party, act as guarantor for an outside party, or provide its assets as collateral for the debt of another.
3. Such business shall not seek loans from outside sources, or act as a guarantor, or provide its property as a security for the indebtedness of others; its funds shall be limited to the following purposes:
 - (1) For the payment of relevant costs and expenses incurred in connection with the business operations as set forth in the preceding subparagraph;
 - (2) For deposits with financial institutions.
4. The various revenues received by that business shall, except for the portion which should be reserved to meet essential operating needs, be remitted back to the parent company within six months after the final annual accounts are audited by the Certified Public Accountant(s).

In cases where an insurer invests in real estate investment business for special purpose of investment, such insurer shall duly submit to the competent authority for prior approval for each and every object of real estate overseas and in the Mainland China area that it proposes to acquire:

1. A business plan, which shall at least include category, location, floor space (area), business development plan, business principles and guidelines.
2. An explanation as to the transparency of the real estate registration system where the relevant real estate overseas or in Mainland China is located and that said system is publically traceable.
3. An analysis in various phases of the capital or the amount of investment that the insurer proposes to make.

4. List of the proposed responsible person(s).
5. An overview of the business operations of the invested real estate overseas and in the Mainland China area and the real estate investment business for special purposes of investments that have been established.
6. Proof that the real estate has been legally utilized and generated profits at the time of investment.
7. The content of the decision and decision-making procedure in obtaining real estate overseas or in the Mainland China area through a real estate investment business for the special purpose of investment by way of loan passed by the board, along with the analysis of necessity and legitimacy of engaging in real estate investment business for the special purpose of investment by way of loan proposed to the board and an a reasonable explanation concerning interests, period of loan, collateral, or conditions dealing with the setting or levying of guarantors and the method of payment.

8. Other document(s) as required by the competent authority.

In cases where an insurance company invests in real estate investment business for special purposes of investment in the Mainland China area, such shall be subject to the approval of the Ministry of Economic Affairs in accordance with the Act Governing the Relations between the People of the Taiwan Area and the Mainland China Area.

In cases where an insurance company sets up real estate investment business for special purposes of investment overseas and in the Mainland China area, the 'Regulations for Establishment, Transfer, or Withdraw Branch Units by Insurance Enterprises ' and 'Regulations Governing Permission for Establishment of Branch Units and Subsidiaries in Hong Kong and Macau by Taiwan-area Insurance Institutions' is not applicable.

An insurance company shall submit the following documents of real estate investment business for special purposes of investment for the reference of the competent authority within three months of the end of each fiscal year.

1. A summary of the internal audit.
2. A financial report audited by the Certified Public Accountant(s).
3. A summary of the basic information in relation to the operations.
4. Other documents as required by the competent authority.

A competent authority or its entrusted institutions or personnel are entitled to examine the business, financial situation, and other necessary matters of the real estate investment business for special purpose, and are entitled to request that, when needed, the insurer or the real estate investment business provide documents, data, or designated personnel to explain them within a set period.

An insurer shall, in accordance with the following items, establish in its internal control system the necessary process for the internal control of the real estate investment business for special purpose and shall take local regulations of investment and the nature of actual operations with regard to the investment business into consideration when supervising that business to establish its internal control system.

1. The supervision and management toward the operation and management of its investment business for insurers should include the following control procedure at least:

VIII. Statements of various reserve funds amortized and about the proof of adequacy thereof.

IX. The latest financial statements as audited or verified by the Certified Public Accountant.

X. Other document(s) as required by the competent authority.

Where an insurance company has been approved by the competent authority for calculation of the limit on foreign assets investment in accordance with Paragraph I, and in the Subject Business it is found that the various reserve funds amortized under the Act have not been utilized for the fund utilization items for the same currency(ies) under the Act, it shall complete the remedial adjustment plan, and get it approved by the board of directors and submitted to the competent authority for information within one month starting from the date of occurrence of such fact.

Where an insurance company proves to have failed to operate in accordance with the preceding paragraph, and to fail to complete adjustment based on the adjustment plan or after it is approved by the Financial Supervisory Commission, Executive Yuan for calculation of the limit on foreign assets investment in accordance with Paragraph I, it has accumulated more than twice the required adjustment plans, the competent authority may annul the approval under Paragraph I.

Article 15- 2

Any insurance company that meets the following conditions may file an application with the competent authority for the amount to be excluded from the calculation of the limit on the total amount of foreign investment under the first part of Paragraph 2, Article 146-4 of the Act (Hereinafter "Excluded Foreign Investment Amount"):

1.Meeting the requirements under Sections 1 to 3, Paragraph 1 of the previous article.

2.The total amount of funds utilized in domestic investments by the insurance company as a percentage of the amount of funds that may be utilized, less various reserves for non-investment-linked life insurance business collected and paid in foreign currency, meets the requirement of the applicable limit stipulated under these Regulations.

3.The insurer' s risk-based capital ratio for the latest period is 200% or higher.

4.The board of directors will determine the risk limit every year and the risk control committee or the risk control department shall perform regular control. The Excluded Foreign Investment Amount referred to in the previous section is calculated as follows:

Excluded Foreign Investment Amount = (25% of various reserves for non-investment-linked life insurance business, or various reserves for non-investment-linked life insurance business collected and paid in foreign currency, whichever is lower) x (1 - determined percentage).

"Determined percentage" referred to in the previous section means the percentage of foreign investment by insurance company determined by the competent authority under Paragraph 4, Article 15. If such percentage is

changed, the above limit shall be re-calculated based on the changed determined percentage.

In filing an application for Excluded Foreign Investment Amount, the insurance company shall submit the following documents to the competent authority for approval:

1. Documents listed under Paragraph 3 of the previous article.
2. Explanatory or justification document showing compliance with Sections 2 to 4, Paragraph 1.
3. Other documents as required by the competent authority.

In cases where an insurer meets the relevant requirements as set forth in the preceding paragraph, and has obtained the approval from the competent authority that the investment shall not be included in the foreign investment limits in accordance with paragraph 2, such company may submit the documents as required in the preceding paragraph, a business development plan, the proposed amount that is not included in the foreign investment limits and an explanation of assessment of reasonableness thereof, to the competent authority for special approval, and the formula set forth in paragraph 2 is not applicable.

After the competent authority grants an approval for any insurance company to calculate the amount of foreign investment in accordance with the flexible adjustment formula under the previous article, when the competent authority grants approval for the Excluded Foreign Investment Amount in accordance with Paragraph 1, it shall cancel the approval for calculation of foreign investment amount calculated based on such flexible adjustment formula.

In case any of the following occurs after an insurance company is granted approval of Excluded Foreign Investment Amount, it shall prepare an adjustment plan, have it approved by its board of directors and file it with the competent authority for reference. The following correction shall also be completed within one month from the occurrence of the fact:

1. The various reserve funds set aside under the Act for the operation of any non-investment type of personal insurance activity have not been utilized for the fund utilization items for the same currency(ies) under these regulations.
2. Failure to comply with Subsection 2, Paragraph 1.

Any insurance company fails to comply with the previous section, fails to complete adjustment in accordance with the adjustment plan or fails to file the adjustment plan as required under the previous section for 2 or more times on accumulated basis, the competent authority may revoke the approval for Excluded Foreign Investment Amount under Paragraph 1 and 5.

Article 16

An insurer may put its foreign investment assets under the custody of a custodian institution or under its own custody in accordance with the Regulations Governing Book-Entry Operations for Centrally Deposited Securities, and in addition, the custodian institution shall be Taiwan Depository & Clearing Corporation or a financial institution meeting the following requirements:

1. Having been established for more than three years and having a branch or subsidiary in Taiwan that has been approved to conduct custody business;
