(3)The total amount of investment in bonds and negotiable certificates of deposit issued or guaranteed by a single bank in combination with the total amount of investment in the stocks mentioned in Paragraph 1 of Article 7 herein issued by the same bank shall not exceed 5% of the insurer' s funds and 10% of the owners' equity of the issuing bank.

(4)The total amount of investment in subordinated bonds having an issue rating equivalent to BBB, BBB- or BB+ from a foreign credit rating agency and issued or guaranteed by a single bank shall not exceed 10% of the insurer' s owners' equity.

(5)Insurers that meet the conditions prescribed by the competent authority may, after obtaining approval from the competent authority, invest in subordinated financial bonds having an issue rating equivalent to BBB or BBB- from a foreign credit rating agency. However the total amount of investment shall not exceed 3% of the insurer' s approved foreign

investment limit or 18% of its owners' equity, whichever is higher, and may be excluded from the investment limit set out in Item (2) hereof.

An insurer's total amount of investment in foreign currency denominated negotiable certificates of deposit issued by a branch of a foreign bank in Taiwan (including offshore banking unit) or a branch of a Mainland China bank in Taiwan mentioned in Subparagraph 4 of the preceding article and in foreign currency denominated negotiable certificates of deposit issued by a domestic bank mentioned in Subparagraph 5 of the preceding article shall be subject to the limits specified in Paragraph 2 of Article 4 herein.

An insurer's investment in foreign currency denominated financial bonds issued by a domestic bank mentioned in Subparagraph 5 of the preceding article and in foreign currency denominated corporate bonds issued by a domestic enterprise mentioned in Subparagraph 6 of the preceding article shall be subject to the following conditions and limits:

1. Subparagraphs 2 and 4 of Paragraph 1 and Paragraph 2 of Article 146-1 of the Act shall apply mutatis mutandis to the investment conditions.

2. The investment amount shall be subject to the limits set out in Subparagraphs 2 and 4 of Paragraph 1 and Paragraph 2 of Article 146-1 of the Act.

An insurer's investment in foreign currency denominated commercial papers mentioned in Subparagraph 7 of the preceding article shall be subject to the condition that such commercial papers shall have a credit rating equivalent to BBB+ or above from a foreign credit rating agency and shall be subject to the following limits:

1. The total amount of investment in foreign currency denominated commercial papers issued or guaranteed by a single company and securities as specified in Subparagraph 13 of Article 5 or under the subparagraphs of Paragraph 1 of Article 7 herein which are issued or guaranteed by the same company shall not exceed 5% of the insurer's funds and 10% of the owners' equity of the issuing company, unless the provision of Subparagraph 2 hereof is met.

2. If the corporate bonds and commercial papers issued or guaranteed by a company are guaranteed by a third party and meet the following conditions, the total amount of investment in foreign currency denominated commercial papers issued or guaranteed by such company, as well as those issued or guaranteed by the third party, and securities mentioned as specified in Subparagraph 13 of Article 5 or under the subparagraphs of Paragraph 1 of Article 7 herein which are issued or guaranteed by such company and the third party shall not exceed 5% of the insurer's funds and 10% of the owners' equity of the third party:

(1) The third party and the company have prepared consolidated financial statements in accordance with generally accepted accounting principles (GAAP).

(2) The owners' equity of the third party exceeds that of the company.

Article 7 The listed or over-the-counter certificates of foreign stocks or bonds referred to in Subparagraph 8 of Article 5 herein include:

1. Stocks;
2. Initial public offerings of stocks;
3. Corporate bonds;
4. Depositary receipts, convertible bonds and corporate bonds with warrants issued by non-domestic enterprises.

An insurer's investment in the aforementioned corporate bonds, convertible bonds or corporate bonds with warrants issued by a non-domestic enterprise shall be subject to the following conditions:

1. The bonds shall have a credit rating equivalent to BBB+ or above from a foreign credit rating agency, unless the provisions of Subparagraphs 2 or 3 hereof are met.

2. An insurer that meets the following conditions set out in Sub-items A to D, Item (2), Subparagraph 1, Paragraph 4 of the preceding article may invest in bonds having a credit rating of BBB-, BB+, or its equivalent from a foreign credit rating agency. However, where there is no bond issue rating, it shall be replaced with the credit rating of the issuance or guarantee institution in accordance with Paragraph 3 of Article 2. Where the credit rating of the issuance or guarantee institution is BB+ or its equivalent, the issuance or guarantee institution must be one that has been reviewed and qualified and announced by the insurance association in

accordance with its standards and reported to the competent authority for recordation.

3. An insurer whose ratio of total adjusted net capital to risk-based capital for the most recent period reaches the regulatory standard or above and meeting the conditions set out in Sub-items A and B of Item (2), Subparagraph 1, Paragraph 4 of the preceding article may invest in bonds issued or guaranteed by a company having a credit rating equivalent to BBB from a foreign credit rating agency.

4. Where an insurer invests in subordinated bonds, the credit rating of such bonds set out in the preceding three Subparagraphs may not be replaced by the credit rating on the issuance or guarantee institution of the bond from a foreign credit rating agency.

An insurer's investment in securities specified in the preceding two paragraphs shall be subject to the following limits:

1. The total amount of investment in bonds with an issuance credit rating of BB+ or its equivalent from a foreign credit rating agency shall not exceed 2% of the insurer's approved foreign investment limit.

2. The total amount of investment in bonds mentioned in Subparagraphs 2 and 3 of the preceding paragraph shall not exceed 7.5% of the insurer's approved foreign investment limit or 30% of its owners' equity, whichever is higher. However, where the insurer obtains approval from the competent authority based on the proviso in Article 16, Paragraph 1 and the total amount of foreign securities mentioned in the Article 5 that are put under the custody of TDCC, domestic financial institutions, and branches of foreign financial institutions in Taiwan having a credit rating equivalent to A- or above from a local or foreign credit rating agency in the most recent year does not reach a certain percentage of the total amount of investment in foreign securities mentioned in the Article 5, the insurer shall observe the following provisions:

(1) If the percentage of foreign securities under custody is less than 30%, the total amount of investment shall not exceed 6% of the insurer's approved foreign investment limit or 30% of its owners' equity, whichever is higher.

(2) If the percentage of foreign securities under custody is 30% or higher and less than 50%, the total amount of investment shall not exceed 7% of the insurer's approved foreign investment limit or 30% of its owners' equity, whichever is higher.

3. Where an insurer invests in convertible bonds and corporate bonds with warrants having a credit rating equivalent to BBB+ to BB+ from a foreign credit rating agency, the amount and conditions of the abovementioned investments shall comply with Article 17 herein.

4. Paragraph 7 of the preceding article shall apply mutatis mutandis to the total amount an insurer may invest in the securities of a single company.

5. The total amount of an insurer's investment in accordance with the preceding paragraph in corporate bonds as well as convertible bonds and corporate bonds with warrants issued or guaranteed by a single company having a credit rating equivalent to BBB, BBB- or BB+ from a foreign credit rating agency shall not exceed 10% of the insurer's owners' equity.

6. The total amount of an insurer's investment in the securities specified in Subparagraphs 1, 2 and 4 of Paragraph 1 herein shall not exceed 40% of the insurer's approved foreign investment limit imposed in accordance with Article 146-4 of the Act.

7. Insurers that meet the conditions prescribed by the competent authority may, after obtaining approval from the competent authority, invest in corporate bonds having an issue rating equivalent to BBB or BBB- from a foreign credit rating agency. However the total amount of investment shall not exceed 3% of the insurer's approved foreign investment limit or 18% of its owners' equity, whichever is higher, and may be excluded from the investment limit set out in Subparagraph 2 hereof.

Article 8 The securities representing interests in offshore funds referred to in Subparagraph 9 of Article 5 include:

1. Securities investment funds;
2. Index funds;
3. Exchange-traded funds;
4. Real estate investment trust funds;
5. Hedge funds;

6. Privately offered funds;
7. Infrastructure funds; and
8. Commodity funds.

Where an insurer invests in the securities representing interests in offshore funds, the total amount thereof shall not exceed 40% of the approved foreign investment limit imposed in accordance with Article 146-4 of the Act, and the total amount of investment in a single fund prescribed in the preceding Subparagraphs 1 to 4, 7 and 8 shall not exceed 5% of the insurer's funds and 10% of the total amount of the shares issued by the fund.

An insurer's investment in hedge funds and privately offered funds referred to in Subparagraphs 5 and 6 of Paragraph 1 of this Article shall be subject to the following limits and conditions:

1. The total amount of such investment plus the securities specified in Subparagraph 13 of Article 5 shall not exceed 2% of the insurer's funds. However, where the insurer files an application in accordance with Articles 15, Paragraph 4, Subparagraph 5 and the competent authority approves that its foreign investment limit may exceed 40% of its funds, the aforementioned total investment may not exceed 3% of its funds.

2. Insurers that meet the conditions prescribed by the competent authority may file an application with the competent authority for an amount to be excluded from the investment limit under the preceding subparagraph and Paragraph 1 of Article 17 herein. However such amount shall not exceed 3% of the insurer's funds.

3. The total investment in a single fund shall not exceed 10% of the total amount of the shares issued by such fund.

4. Where the total investment in a single fund exceeds 0.05% of the insurer's funds, prior approval of the direct board of the insurer shall be required. The aforesaid limit on investment in a single fund is less than NT\$100 million, the limit may be set at NT\$100 million.

5. An insurer's investment in hedge funds shall be restricted to those administrated by fund management institutions with a sovereign credit rating of at least A+ or its equivalent from foreign credit rating agencies and registered in competent authorities of countries or regions that are signatories of the International Organization of Securities Commissions (IOSCO)'s Multilateral MOU (MMoU). The fund management institutions shall have engaged in management of hedge fund for at least two years and with no less than US\$200 million or equivalent of hedge fund assets under the management thereof.

6. An insurer's investment in privately offered funds shall be restricted to those administrated by fund management institutions with a sovereign credit rating of at least A+ or its equivalent from foreign credit rating agencies and registered in competent authorities of countries or regions that are signatories of the International Organization of Securities Commissions (IOSCO)'s Multilateral MOU (MMoU). The fund management institutions shall have engaged in management of such funds for at least five years and with no less than US\$500 million or equivalent of fund assets under the management thereof. However, these restrictions shall not apply in the following circumstances:

(1) The fund management institutions, approved by competent authority as the investment business of our domestic financial holding companies, directly or indirectly register in overseas countries, engage in fund management business.

(2) The fund management institution is legally established within the territory of the Republic of China, meets the standards for selecting domestic fund management institutions drawn up by the insurer and approved by its board of directors, and meets one of the conditions below:

A. The domestic fund management institutions have a recommendation letter or qualification letter from the authority of venture capital business or the private equity funds for part or all of the venture capital businesses or the private equity funds managed by them or the domestic securities investment trust authorized by the competent authority uses its own capital to invest in a subsidiary which serves as a general partner of the private equity fund.

B. The fund management institution has applied for and obtained a qualification letter for the private equity funds managed by it in

accordance with National Development Council Directions for Guiding and Managing the Promotion of Industrial Investment by Private Equity Funds, and the investment scope of such funds conforms to government policies. Where an insurer invests in a fund of funds which holds a portfolio of the funds listed in Paragraph 1 of this Article, such investment shall comply with the provisions for each type of funds involved. The indices tracked by the index funds referred to in Subparagraph 2 of Paragraph 1 of this article shall be announced by the competent authority.

The privately offered fund mentioned in Subparagraph 6 of Paragraph 1 hereof means a privately offered fund that invests in private equity, private debt and real estate.

Where an insurer invests in the funds specified in Subparagraphs 5 to 8 of Paragraph 1 of this article, the amount and conditions of such investment shall comply with the provisions of Article 17.

Article 11 For insurer's investment in real estates overseas and those in the Mainland China area, such investment shall be limited to those that have been legally utilized and have generated profits at the time of investment and shall be subject to the following restrictions:

1. The ratio of total adjusted net capital to risk-based capital for the most recent period reaches the regulatory standard.

2. There are no major sanctions and penalties for violations of the Act in relation to the usage of insurer's funds in the most recent two years and there are no major violations of the internal control procedures governing various applications of funds in the most recent two years, or rectification of those violations has been carried out and affirmed by the competent authority.

3. The board of directors shall establish a risk management committee or the company shall set up a risk management department and a chief risk officer in charge of overall risk management.

Total amount of investment under the preceding paragraph may not exceed 1% of the insurer's funds nor 10% of its owners' equity. Notwithstanding the foregoing, in cases where an insurer's ratio of total adjusted net capital to risk-based capital for the most recent period is above 125% of the regulatory standard, such total amount of investment may not exceed 2.5% of the insurer's funds nor 40% of its owners' equity; in cases where an insurer's ratio of total adjusted net capital to risk-based capital for the most recent period is above 150% of the regulatory standard, such total amount of investment may not exceed 3% of the insurer's funds nor 40% of its owners' equity.

(2) It has been more than one year since the insurer obtained the approval for increase of the limit on total foreign investment to 35% of its funds.

(3) The board of directors specifies the exposure limit each year and regular risk management is implemented by the risk management committee or risk management department.

(4) The insurer's ratio of total adjusted net capital to risk-based capital for the most recent period is above 125% of the regulatory standard, or the insurer has a credit rating equivalent to AA- or above from a local or foreign credit rating agency in the most recent year.

(5) The insurer has not obtained any other approval for increase of the limit on total foreign investment in the current year.

5. The insurer which applies for increase of limit on total foreign investment over 40% of its funds shall comply with the following provisions:

(1) The insurer complies with the provisions of the preceding Subparagraph.

(2) The insurer's ratio of total adjusted net capital to risk-based capital for the most recent year is above 125% of the regulatory standard, and its average ratio of total adjusted net capital to risk-based capital over the most recent 3 years is above 125% of the regulatory standard, or the insurer has a credit rating equivalent to AA+ or above from a local or foreign credit rating agency in the most recent year.

(3) The insurer has established an internal risk model to quantify the overall risk of the company.

(4) The insurer has not obtained any other approval for increase of the limit on total foreign investment in the current year.

Calculation of "value at risk" referred to in Item (2) of Subparagraph 3 of the preceding paragraph of this Article means that on the basis of data of the samples which are taken either on a weekly basis for a minimum period of three years or on a daily basis for a minimum period of one year, with the data updated once a week at least, the value at risk for ten trading days is calculated with the confidence level set at 99% and the back testing is performed every month.

The competent authority may, in view of the business performance of the insurer, determine the exact increment in the limit referred to in Subparagraphs 4 or 5 of Paragraph 4.

The aforesaid increment shall be limited to 5% of the insurer's funds.

However, the competent authority may, in view of the overall business performance of the insurer, make proper adjustment thereto year by year.

If the product structure consolidated score of a life insurance company for the most recent year meets the criteria determined by the competent authority, one of the following measures may be adopted:

1. Within the maximum limit stipulated under Paragraph 2, Article 146-4 of the Act, the limit of overseas investment allowed under Paragraph 1 or 4 may be increased by 1% of the funds.

2. In the calculation formula under Paragraph 2, Article 15-2, 40% of various reserves for non-investment-linked life insurance business may be increased to 42%.

Article 15- 2 Any insurance company that meets the following conditions may file an application with the competent authority for the amount to be excluded from the calculation of the limit on the total amount of foreign investment under the first part of Paragraph 2, Article 146-4 of the Act (Hereinafter "Excluded Foreign Investment Amount"):

1. Meeting the requirements under Subparagraphs 1 to 3, Paragraph 1 of the previous article.
2. The total amount of funds utilized in domestic investments by the insurance company as a percentage of the amount of funds that may be utilized, less various reserves for non-investment-linked life insurance business collected and paid in foreign currency, meets the requirement of the applicable limit stipulated under these Regulations.
3. The insurer's ratio of total adjusted net capital to risk-based capital for the most recent period is above the regulatory standard.
4. The board of directors will determine the risk limit every year and the risk control committee or the risk control department shall perform regular control.

The Excluded Foreign Investment Amount referred to in the previous paragraph is calculated as follows:

Excluded Foreign Investment Amount = (40% of various reserves for non-investment-linked life insurance business, or various reserves for non-investment-linked life insurance business collected and paid in foreign currency, whichever is lower) x (1 - determined percentage) - total amount of investment from various reserves for non-investment-linked life insurance business collected and paid in foreign currency in securities, bonds or Sukuk denominated in foreign currencies that are listed or traded over-the-counter as specified in Article 5, Subparagraph 12.

"Determined percentage" referred to in the previous paragraph means the percentage of foreign investment by insurance company determined by the competent authority under Paragraph 4, Article 15. If such percentage is changed, the above limit shall be re-calculated based on the changed determined percentage.

In filing an application for Excluded Foreign Investment Amount, the insurance company shall submit the following documents to the competent authority for approval:

1. Documents listed under Paragraph 3 of the previous article.
2. Explanatory or justification document showing compliance with Subparagraphs 2 to 4, Paragraph 1.
3. Other documents as required by the competent authority.

In cases where an insurer meets the relevant requirements as set forth in the preceding paragraph, and has obtained the approval from the competent authority that the investment shall not be included in the foreign investment limits in accordance with Paragraph 2, such company may submit the documents as required in the preceding paragraph, a business development plan, the proposed amount that is not included in the foreign investment limits and an explanation of assessment of reasonableness thereof, to the competent authority for special approval, and the formula set forth in Paragraph 2 is not applicable.

After the competent authority grants an approval for any insurance company to calculate the amount of foreign investment in accordance with the flexible adjustment formula under the previous article, when the competent authority grants approval for the Excluded Foreign Investment Amount in accordance with Paragraph 1, it shall cancel the approval for calculation of foreign investment amount calculated based on such flexible adjustment formula.

In case any of the following occurs after an insurance company is granted approval of Excluded Foreign Investment Amount, it shall prepare an adjustment plan, have it approved by its board of directors and file it with the competent authority for reference. The following correction shall also be completed within one month from the occurrence of the fact:

1. The various reserve funds set aside under the Act for the operation of any non-investment type of personal insurance activity have not been utilized for the fund utilization items for the same currency(ies) under these regulations.
2. Failure to comply with Subparagraph 2, Paragraph 1.

Any insurance company fails to comply with the previous paragraph, fails to

complete adjustment in accordance with the adjustment plan or fails to file the adjustment plan as required under the previous paragraph for 2 or more times on accumulated basis, the competent authority may revoke the approval for Excluded Foreign Investment Amount under Paragraph 1 and 5.

Article 16 An insurer may put its foreign investment assets under the custody of a custodian institution or under its own custody in accordance with the Regulations Governing Book-Entry Operations for Centrally Deposited Securities, and in addition, the custodian institution shall be TDCC or a domestic financial institution, or a branch of a foreign financial institution in Taiwan with a credit rating equivalent to A- or above from a local or foreign credit rating agency in the most recent year. However, this restriction shall not apply if it is approved by the competent authority and the insurer may appoint a foreign financial institution meeting the following requirements as the custodian:

An insurer whose ratio of total adjusted net capital to risk-based capital for the most recent period is under the regulatory standard shall put its foreign assets under the custody of TDCC or a domestic financial institution or the branch of a foreign financial institution in Taiwan whose ratio of its capital to risk-weighted assets for the most recent period meets the regulatory requirements.

An insurer shall put its investments in foreign currency denominated listed or over-the-counter certificates of domestic stocks, bonds or Sukuk under custody in accordance with the Regulations Governing Book-Entry Operations for Centrally Deposited Securities.

An insurer with its foreign investment limit reaching 35% or higher of its funds or with its overall foreign investment reaching or above US\$1 billion shall put all its foreign securities, except those representing interests in offshore funds and those from special-purpose money trust funds conducted by financial institutions, under the custody of not more than five custodian institutions, excluding TDCC.

Where an insurer entrusts an overseas custodian for the custody of its overseas assets, the institution being appointed to handle its discretionary account and the entrusted custodian institution shall belong to different financial institutions, and in addition, the execution and modification of the overseas custodial agreement and changes to the authorized signatories on the custodial account must be approved by the insurer's board of directors, and the insurer shall ensure that the custodian agreement contains the following provisions:

1. If deemed necessary, the competent authority may dispatch personnel or order the insurer to appoint an accountant or other professionals to examine the insurer's overseas assets under the custody of the custodian institution and to submit a report or express opinions to the competent authority. In such event, the custodian institution entrusted by the insurer shall not refuse the related examination;
2. The overseas custodial account of the insurer may not be used to provide any form of guarantee for the debt of others;
3. Unless with the consent of the insurer, the custodian institution shall not transfer the assets in the insurer's custodial account to any third parties;
4. For matters relating to insurer's custodial account as inquired by the certifying accountant of the insurer for confirmation (including whether the account balance matches, whether any asset in the account is used to provide guarantee, etc.), the custodian shall directly reply by letter to the accounting firm after verifying each inquiry item;
5. The custodian agreement shall specify that the ultimate beneficiary of the agreement, the owners of assets, and the beneficiary of master and sub accounts shall be the insurer only; and
6. Other matters designated by the competent authority.

Article 17 The aggregate amount of the following investments shall

not exceed 5% of the disposable funds of the insurer:

- 1.Convertible bonds and corporate bonds with warrants shall have a credit rating a credit rating equivalent to BBB+ to BB+ from a foreign credit rating agency;
- 2.Private placement of corporate bonds mentioned in Subparagraph 13 of the article 5.
- 3.Hedge funds, privately offered funds, infrastructure funds and commodity funds;
- 4.Collateralized debt obligations of which part of the underlying assets are below BBB- or equivalent credit rating from the foreign credit rating agencies, except those with less than 5% of its underlying assets below the above rating and were invested in accordance with relevant regulations before the promulgation of these Regulations.
- 5.Collateralized debt obligations with such underlying asset pool based on a leverage financing structure or contains subprime mortgage loans or leverage loans.

Insurers with any of the following circumstances are not allowed to conduct the investment listed in the preceding Paragraph:

1. The insurer has been subjected to any major sanctions and penalties in the immediately preceding year for violations of the Act with regard to the usage of insurer' s funds, except that remedial actions for the violation, if any, have been taken and affirmed by the competent authority.
- 2.The ratio of total adjusted net capital to risk-based capital for the most recent period is below 125% of the regulatory standard, except where the above ratio meets the regulatory standard but does not reach 125% of the regulatory standard and the insurer has a credit rating equivalent to AA or above from a local or foreign credit rating agency in the most recent year.
- 3.Neither a risk management committee subordinate to the director board has been set up, nor a chief risk officer has been assigned and an interior risk management department has been established to assume de facto responsibility for the overall risk management of the company.

When an insurer makes investments under Subparagraph 3 of Paragraph 1, aside from complying with Subparagraph 2 of the preceding paragraph when signing an investment commitment contract with the trading counterparty, the insurer shall, for contracts entered after the implementation of these Regulations amended on January 28, 2022, not participate in subsequent capital injections stipulated in the contract, provided the insurer fails to comply with Subparagraph 2 of the preceding paragraph for the most recent two consecutive periods.
